

## HOUSE KEYWORDS

<b>1ST HOUSE</b>	The connection between my body, my energy and the world around me. My relationship with myself. Sense of self, identity, physical body, well being, vitality, confidence, motivation, energy to exist as an individual being.
<b>2ND HOUSE</b>	The connection I have with my possessions, resources, what I earn & what I own. My self-worth. Attachments to the material world. Relationship with money (what I earn myself), connection to abundance, feeling of gratitude.
<b>3RD HOUSE</b>	The connection with my environment, the flow of energy between me and what is close to me. Communication, curiosity, sharing information, playing, learning. Absorbing information (school) and delivering it (writing, publishing).
<b>4TH HOUSE</b>	The connection with my roots, where I come from. Family, ancestors, the energy carried in my lineage. My home, my nest, the place where I feel safe and where I can heal and recharge. Ability to forgive and let go.
<b>5TH HOUSE</b>	The connection with my inner child. Joy, pleasure, the delight of being alive. Creativity and self-expression. Romance, being in love, erotic play. Hobbies and activities that bring us happiness. Children & pregnancy.
<b>6TH HOUSE</b>	The connection between my physical body and nature, how connected I am to my natural cycles. Routines, rituals, work. Purifying the physical body, bringing it back to its most natural state. Illness (when this is ignored).
<b>7TH HOUSE</b>	My relationship with "the other". My reaction to the impact others have on my life. Marriage. Partnership. Contracts. Learning about myself through what I see in the other. Going beyond the ego. Union. Two becoming one.
<b>8TH HOUSE</b>	My connection with my unconscious mind and my shadows. My secrets, fears, traumas, hidden parts of my soul, taboos and kinks. Bringing light inside the darkness. Transformation, alchemy, death and rebirth, finding true power.
<b>9TH HOUSE</b>	My higher understanding of the world. My philosophy of life, morality, laws, religion, spirituality. Higher education, my relationship with mentors and guides, finding people who can teach me, or becoming the teacher myself.
<b>10TH HOUSE</b>	My connection with the world, how I present myself, public image, the energy I bring forward as my contribution. My reputation, achievements, the social status I create through the energy I constantly offer when I put myself out there.
<b>11TH HOUSE</b>	My connection with my network, with groups of people, friends, brotherhood & sisterhood. Finding my tribe, people who have the same direction I have and want to work together. Plans for the future. Contributing to the greater good. Hope.
<b>12TH HOUSE</b>	My connection to the unseen world. The memories I carry from my previous life & how I connect with those parts of myself. The way I connect with the Sacred, with God, with the spirit world. Diving into the unknown, detaching and letting go.
